JUNE 1998

SALE OF AIRPORT -- UP DATE

The Airport sale is still in progress with completion now expected in early June. There have been several obstacles, the biggest being the cleanup of the old underground fuel storage site. This proved to be more extensive (and expensive) than earlier thought but it is finally completed and the affected area has been re-paved.

Ten-ees are eager to meet the new owners and hear their plans -- what will change, and what will remain the same. When the sale is a "done deal" and they are at liberty to speak, we hope to hear from them by way of a letter or perhaps an interview with *Galt Traffic* should they choose to continue support of it's publication.

BOMB DROP

They came in wave upon wave, braving high winds, ground fire, fighters and flak! 19 pilot/bombardier teams vied for a share of the entry fee. First place winners (\$95) were Deb and Bill Meznarsic, 12'6" from the target. Second (\$57) Steve Nusbaum and John Wise, 13'. Third (\$38) Art Galt and Bret Derby, 17'.

One aircraft appeared to have been hit by a SAM but further investigation revealed it's own bomb hit the right MLG so it had to be classified as an "operational loss".

Butch Wyrzyn won \$84.50 in the 50/50 raffle and EAA Chapt. 932 was able to glean nearly \$500 from the crowd of about 200 spectators in food, pop and raffle ticket sales. Thanks for coming, if you missed it, be sure to join us next year!

FIRST SOLOS / NEW RATINGS

May 11 was a big day at Galt! Tim Augustyn, Dan Dorsch and Todd Weber made their first solo (with two in the pattern at one time). Mike Burns got his Private license that day also. Dale Davenport soloed the next day (May 12) and John Frasier soloed on May 17.

Congratulations to you all and many 'happy landings'!

JUNE HOURS

Daily - 8 am to 8 pm
100 LL is still \$1.70!!

YOUNG EAGLE DAY JUNE 13

Saturday, June 13 is International Young Eagle Day and EAA 932 wants YOU to join us. We need pilots, planes, help on the ground and kids. You don't have to be a local chapter member to be a young eagle pilot, just an EAA member. And to help out, all you have to be is willing. If you know a youngster between ages of 8 and 17 who would like an introduction to aviation, get them out for a flight. A parental consent form must be signed. If you would like one in advance contact John Wise at 815/653-3966 or Jeff Hill at 815/338-3551 (our e-mail addresses are in the opening paragraph). EAA 932 will be offering lunch (donation requested). Come help out, or just come and watch the fun. We'll brief at 10:00 at the Chapter Hangar then Young Eagle flights will be conducted from 11:00 to 4:00, or until each kid that shows up has had a ride. Rain date is the following day, Sunday. If you'd like to help out, please notify John or Jeff to aid us in our planning.

OSHKOSH WEEKEND WORK PARTY

June 20-21

This is a chance for EAA members to have some fun, lend a hand at the convention site and poke our noses into the EAA's 'attic and basement'. EAA houses and feeds us (and they ain't chintzy about it). If you're an EAA member (don't have to be a local chapter member) why not join us? Call John Wise at 815/653-3966.

WORLDS MOST UNIQUE AVIATION EVENT!

EAA member or not, all Ten-ees are invited to join us for our July (18, rain date 19) fly-out to the Greater Des Moines Aviation Expo at Ankeny (DSM area) IA.

In addition to a 'regular' airshow, they stage the darndest WWII battle re-enactment with RC aircraft that you've ever seen -- plenty of fantastic pyrotechnics with lots of 'blowing up, crashing 'n burning!

Plan to join us for this one -- see next month's issue for details and check the Aviation Expo's web site at <http://www.dwx.com>

The Airborne Epicure:

FAVORITE FLY-OUTS:

Why Janesville (JVL)?

- **** Something Special! ** Probably won't hurt you
- *** Worth a short trip * Pack plenty of barf bags

The favorite destination for many of our "hundred dollar hamburger" fly-outs is JVL. Why? Well, it's about the right distance, it has all the facilities with little traffic, (no hassle) and although the restaurant may not be the Four Seasons, it's a darned decent airport cafe..

The CAVU Cafe is opened Mon. - Thur. 6am - 2pm; Fri. 6am - 8pm (Fish Fry); Sat. & Sun. 6am - 3pm (prime rib). In addition to a complete sandwich menu there are daily breakfast and lunch specials. Prices are quite reasonable and the amount of traffic through the CAVU Cafe on any CAVU day would indicate that it's a ***

Do you have a favorite fly-out destination within 100 miles or so of 10C where folks can get a good meal without a big hassle? If you'd like to share your find in *Galt Traffic*, please write the editor at one of the addresses in the opening paragraph.

THOUGHT FOR THE MONTH

AOPA and EAA are battling the bad ideas that float about Washington and the state capitols!
